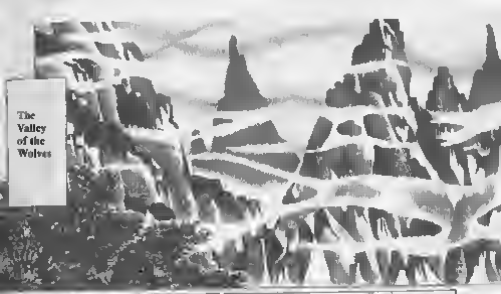
The City's Main Government building.
Master Jotenn
I called you here because there's no other man fit for this task.
Jo
From this day on, you and your team have a new duty

Your new task awaits.
Kill the rogues that are living in the Valley of the Wolves.
The Principe Of Je-Sen?
But what we're out of the city, who's going to-
Who's going to care for your safety?
Huh...and really the "trustworthy" son doesn't want to go and hunt the rogues.
True...isn't this considered an act of cowardice? Maybe we should go back and haul the son's rear end out here.
I'm sure my son will do a splendid job.
And he'll be here until you boys finish your task
Doesn't matter. The sooner we get done with this, the sooner we can come home.



The Valley of the Wolves

Ass
Ass, Ass, Ass...

Talk about a rugged valley, damn it.
And that isn't the safest of routes, either. This is Rogues' lands.
Watch your back.

We have to get this cargo to the main city
If there's a sudden ambush of any kind, protect the cargo with your life.

That's one big caravan.
...lots of guards too.
They must be heading to the city
"whistle"
WHAT ON EARTH!!!!
Whoa! You hear something

"crack"
Ah
We're pretty far away from them
Hey, Pattern, does the word "tired" mean anything to you?
These city-bred soldiers can't handle rough terrain like this.
Pathetic. At the rate they're travelling, we're getting no where!!
The other soldiers are nearly out of sight!

If we actually do run into the mountain rogues, there's definitely going to be a serious problem. Our soldiers aren't trained for work like this.
That's because it ain't a job the soldiers are meant to do. They're only hired for goodness' sakes.
ARGH! I'm tired Jotetsu!
Skuuroh, let go. You're heavy and it's hot!
Hey! Kenji what is it?
Master Jotetsu, maybe you should look at this
Down there in the gorge.
There's a caravan coming.

The mountain erupted!
If the gods go, they're all going to die!

Shuuzuki! Kill!! Let's go!!
Yarr Are you crazy? 3 of us against THEM?!
We should wait for the others, Master Jotetsu!
Sometimes, I don't think I can stand your blindness for others, Master.
You like putting your friends into great peril, don't you?
It doesn't matter if we could only save one or two men! We have to try!
We have to try!

Heh Heh. I—I think we're a little late, Tarantino.

Jotetsu, I'm serious. I don't think we should do this
Isn't it our duty to send them to the other world?
I know but it's us 3 against... ALL of them!
What are you all doing?
Get out of the way!
Ah Chef!
What's this? City folk?
Do I give a damn? Let's just slaughter them all!
I'M suppose to be the one who says that, bastard!!
SHUT UP JOTETSU!

This?
This.
ตึกตัก
Chief of the mountain rogues?!

Like a red, red rose blooming amongst the thorns of the mountain rogues...
Such a beauty...
H?
Hey you! On the horse!
Better watch out, no one's going to take your first-ever bride!
Even if you're a woman, you're still Chief of the rogues!
Bride?
!?

He said "bride" people!
Um ah
Jouetsu that person
Well then.
Will YOU take me as a bride?
Why not?
But if you're coming home with me, then you will have to leave your theivish ways!!
even if I have a body like this?

I had a body like this since the day I was born Warrior
!!
!
Hm?

A man!
But still.
The pure beauty... I didn't know a beauty like his existed
Even the emperor's palace women are no match for him!!
Hey, what are you
I don't care that you're a man
!?
แย่ล
Reigoh!
Put your clothes back on, Rnh

I'd expect you to speak to Roh in more respectful terms, stranger.
And who are you?
Let me ask you who you are -
Yah! Uh... ahh... you see, we're
We're- we're from the state city.
Heh heh this is ah...ah yes! Um Kotoran
I'm his son
And that's our loyal servant.
What the?
WHOS the servant??
muffled
Please Master Joteiru Please be patient.
We heard that in these parts, there lives some of the most dangerous and famous rogues that you can ever find.
We would like to, ah, join forces with you
When we're one of them it's going to be easier for us to attack

Scanned/Edited/Translated by

-http://www.zetsuai.com

Rogues?
Should not be wrong...
Heh we never attack these kind of folk anyway
Sirs?
I don't want them with us
I don't see why not.
They look like interesting people.
Get up
Yay! Come on, let's go back to base.
Hee
Please lead the way good sir!

Hurry up!
"thump"
"thump"
What do I hold on?
I want to rest.
What is this feeling?
Hold on. If you fall off, it's not my fault.
Let's go!
VROOM

11
Hey, what's your name, sweeting?
Get away from me, pervert!
Ah-
uh
I'm called Jotenn
The name's Roh.
What about you?

But
His skin
so pale and
smooth
Is this
truly
s human
like me?
I don't
want
to
relive
this.
Hey
Don't
breathe
down my
neck like
that!

It tickles
So close
Ah
S-sorry
I won't.
And my
heart
beats so
strongly

Back so soon, leader?
Hey welcome the newcomers will you?
This is a really deep cave so deep that any eye would pass over
What the hell do you think you're doing?
Let the old people go first you newbies!
Hey wait, we didn't even seasoned this damn rice yet!!
Heh heh this is wild!
You don't need silverware to eat this stuff any kid!
GUZ
ASU

What kind of wine is this anyway?
Ah
Hey Jeleisu
What's with the red color on the rice?
They probably stirred in red wine with it.
I can't believe barbarians would go through the trouble of seasoning rice.
The rice
The scent of blood
Ugh!
AH!
What's wrong Shunreh?
Human blood!

UGH!
cough
cough
Can't stand a little bit of blood can't you?
Huh...city folk. Can't take anything
Listen farmers have to go through alot to grow this
And it's going to take them a lifetime to make the grains turn white
Even if there's still a scent of blood on it, the wine savors it
And they have to pay taxes as well
Is it actually a sin that people like me who used to be farmers want to take back something that is rightfully ours?
You must never ever waste a single grain of rice
Ah
Right.

I'm sorry.
I won't do that again
That's- that's good that you know that.
Come on, what are you talking about?
Geez!! Give some to the newcomers
What do you think?
Of the new ones?
I don't care who they are
I don't like their faces.
But...
Hey!
Doesn't mean we can't trust them
I'm going to take him inside

แปลก
Can't resist
Such a small hand
Ah
No !
Come on
Yet this little hand can handle a war horse and carry a powerful weapon
With the beauty of the chief of the mountain rogues
I might become to one to be captured, not him

No
Come in!
Don't worry this is a private place
No one comes in here
Come here
Um
Heh
Unless, the intruder wants a knife in his throat
Are you scared?

Ahh
Well anyway that has to happen will happen
Just because I've never exactly enjoyed the pleasure houses doesn't mean
But with another man?
With the chief of the rogues that I need to capture?
Hm?
No! I can't fall to this. I can't succumb to his beauty and this sweet scent that he carries I can't!
Ah
This is quite a large cave
Are you really a servant?
Over a hundred inhabitants.
Not to mention a food storage a forgery and even training grounds
You
You don't look like one

If we didn't do that then we'd never find the pathway to the mouth of the cave
But for you Jotetsu.
I'll teach you the ways of a rogue.
I'll teach you with this body
You
Do you want to make love to me?
!!
What?!
Been by myself for quite a time and I'm thirsty for a chance to be held

You
What do you think you're doing?
Why don't you ask my body?
Hold me and you'll know
It can tell you everything.
Every single thing
You
The government sent you here, didn't they?
If you think I'm like a whore
Ah - put your clothes back on!
Don't act like one of those whores in the city's pleasure houses!
!!
Then get out of here

I don't understand you at all
I want to know who you are
At first glance I thought you were one of the governor's people not a merchant
If you were one of the warriors you wouldn't do this
And I'm sure you want to know more about me as well

As I've said
Let it go.
I want to touch you with these hands
Joteisu!
Want to hold you with my body
My heart
Wants to know you as deeply as it can know.

What's wrong with me?
What am I doing?
I came here to capture the rogues
Traveled a long way from the city
My duty was to find the rogue's hiding place
And get close to the chief!

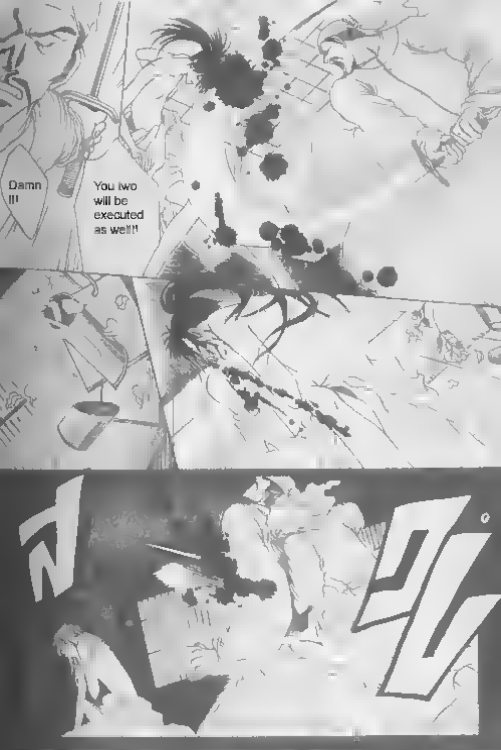
What?
Aren't you in the mood?
AH!
Look, you're already hard
Don't hold on
Rch!
Jotetsu

The place where I grew up...
I had a a good family and lived by the shores of the Say-Jin River
My parents were kind to Reigoh who was my friend since childhood
Lived a life in the light
No pain no such sorrows
but in a single day, I had lost everything
Open the doors
I'll never forget that day, even if death were to come upon me!

Suddenly, the soldiers came
They raided our house took our things
Took my parents away saying it was the law
They were treated like animals.
They took me away as well
They took me to a place.

A man came to me everday
He was the judge
Roh
Make yourself good to me
And maybe I'll let your parents go
Do you understand?
Do well unto me
And serve me!
"creak"
"thump"

Ah-
Who's there?!
Get away from him, Itoh!
He's the one who gave false testimony to your parents!
He already had them killed!
Killed?
Your parents were beheaded for months already
Months...
But...
You never said a thing.



Damn
!!!
You two
will be
executed
as well!!

Kill all of the govern-ment's people! Kill them all!!
The one above me is like all of them
"They all want us to be killed"

What?
I don't think so
So what?
Why not?
Your eyes say that you don't want to do this.
And your eyes... they're not showing anything but anger and hate.

Why didn't you kill us? I can tell you don't trust me.
Asking me to be your bride ...
That's the strongest thing I've ever had said to me
Ha Ha Ha

That's why I didn't kill you
Ha...
You know... You're cute when you laugh.
But why wear that eye patch?
It's blocking all that beauty.
Do you have a scar?
DON'T TOUCH IT!!!!!!!
!!

snore
OHH
Jatetsu! Where were you?
Uh Oh
It's flaming red isn't it?
It's the mark of love I tell you!
I think we best call it the mark of hate not love
You lack a social aura, Jatetsu
Um just a little wound
I was talking to that kid Roh

Back then
From one there were two.
As time went on we became the mountain rogues.
I ran away with Ketgeh
We didn't have a place to go
Our only method of survival was thievary
And we found others whom became rogues as well

My right eye hurts
Retgoh!
What did he say? Or do you want me to kill him instead?
Roh
Where's that man? I thought you were going to finish him off?

What is it?
Your eye hurts?
You'll always see me as a friend, right?
You should try it
Because you're a friend Ratgeh that's why I can't do it with you?
Can't you understand?

Don't like to get raped huh?
Even if we remained friends through childhood
I hope you know where your standing rank is Roh
The only way you maintain being chief is
Is because you have me as your guardian
We escaped from the cities and became mountain rogues
Kill or be killed
Wherever we go –
Wherever we run there's never going to be day where we can find the light.

Darkness
Darkness in a cave with no way out
Check out those hips, man
Shut up! Do you want Reiga to murder you?
If only
This isn't my place. I don't belong here
If only there's a ray of light somewhere, a glimmer of hope

Roh!
Damn it, you are a little wolf of the mountains, Roh
Look at my finger it's still bleeding.

There's a passage here that I think the Tre archers can hide and we might be able to attack easier that way.
And here's where the rogues do all their weapon trainings
I think we need to look again
I won't forget.
These rogues were driven to thievery because of intensive sorrow and the need to survive
But I want to capture them without shedding blood
I hope you remember your duty here
A young man like you will easily succumb to desires
And the desire happens to be chief of the rogues.

Keep in mind that you must be precise when you're performing the duties
Or you'll have a hard time explaining to the governor
Shunreh!
Roh said he wants to see the "servant boy"
Ha heh...
You don't need to pull Shangeh...
What?
Shunreh... there's a plain west of the mountains that's blooming with flowers. It's really beautiful... let's go look at it.
Hey you're bleeding
This? We just had to stop a caravan.
Roh only wants Jintetsu to go. He sent for you and the other one to stay here.

Good, you're here
Jotetsu
I stopped this caravan that was heading towards the city
Look at this!!
Grains of rice!
This is your first job. Can you do it?
And the government doesn't even give a care for these things. Why?
Seed coverings!
Jotetsu?

Using the rice to gain taxes and then selling it for a very high price
And those that get hurt are the people
Whoa! Shunrei, you're really good!
Next time you should try hitting a flower!
Hm I don't think so
I don't think a flower's meant to be shot by an arrow
If only I had both my arms
I'd let you teach me archery.

You lost that arm during a hunt?
No.
The soldiers cut it off.
I was out harvesting rice with my family when it happened.
The soldiers... they killed all of my brothers and sisters...
I had never cease to forget.
And I'm going to kill all of them!
No matter how many times I've stained them on a raid.
The thirst for revenge and anger is still there!

Sheingeh!
Please come back with me to the city
I know a good doctor that can fix your arm.
I'll take you to many places when we get to the city
Don't destroy yourself by staying here.
But.
I don't want to go
There's nothing but evil in the city
It's alright, Sheingeh
I'll protect you!
And I know a lot of people!
You'll be fine. I promise!
There's no one I could love more than you

burn
Hey you don't look like yourself What's wrong?
Life back in the city must be tough
What about you?
You enjoy living in this place?

How on earth can you call this place your home?
I have a small house back in the city
It's nothing much, but you can live with me without a problem
Do you want to come back with me to the city?
Yes
Yes maybe I should leave this place and go with you
But...

How many hundreds of people had to die with these hands?
There's no way I can live a life the way I used to be.
จ๊ะ
And...
Your way of life is different from mine Jotetsu
I don't think I can live like that even though there's a reason I should
No
From what I've listened
It seems like you used to have a much better life than this
So what? It's not like it's going to make a difference!

KUN
!!
Aren't feelings that I really like you not enough?
I truly want you to be happy!
AH!
I'll be the other eye that you've lost, Roh.

Don't stop thinking of hope.
Roh
.....!!

The blood in my body burns in its veins
Stop
Roh
I am no one. I have no duty to do
Stop.
Why can't I see your feelings Roh?

H...
Master Jotetsu!
Master Jotetsu sir!
Ah.
Um.
Please, listen! This is very important, sir!

The army is down in the western service
The only thing holding them back from an attack is your order, Master!
Attack?
I'm going to go and alert them.
You two men stay here
Hey!
Wait!
Have you forgotten about your duties sir? Master Jotetsu?
You MUST capture the mountain rogues
That's your duty

You have a future back at the city
Or are you going to leave everything behind you and become a rogue?
That's
Forget about that young boy.
We have to do what we're told to do
Master Jotetsu!
I'm not going to forget about him
And I'm not going to lose the people here as well!
Yes, I understand, sir!
I'll go and tell the soldiers to wait. Tell them that you're speaking to the soldiers
What ever will have to happen

I'm not going to forget my rank or my duty
and I'm not going to forget the thing I can't replace.
ROH!!!
What the hell did I just do?
I have to get him out of my brain and heart.
He's under the light, not like me.
And who knows? He could be part of the government
AH!
What kept you?
Ren?

What in the name of hell were you doing with that Jotetsu?
Say it, Roh! SAY IT!!
Reigeh!

Ah
Weren't you the one who told me that opening your wound was like showing your body naked?
And where is your eye patch?
I...

Told him you'll go to the city with him huh?
You want to be his, don't you?
No -
I'm not going to excuse myself any more.
From now on, I'm the leader here.
And you'll be my whore.
RETGOH!!!
DON'T!!!
Shut up and let me take you! Stay still!!
!!
NO!!
NOOOOO!!

Uh...
What's wrong with Roh?
!!
Ah!
Roh!

Shain-gah! Where are you?
Shun-reh!
Hey! Good thing I found you
There's something I have to tell you -
"ah"
Shunreh! Listen, you have to get out of here!
Huh?
Roh- he was -ah he-he's no longer the leader here!
Retgoh's the chief now!
Retgoh's not going to let any of you get out of here alive - especially Jiletsu! You have to leave...now!!
Go! Get out of here!
That man

Fine.
Then you're leaving with me.
Shan-gahl
I'm not leaving.
We're going to go to the city.
Why?
Shunroh... you're not just some out-city merchant's son.
The next time I see you I'll kill you with my sword
You should have told me who you were.
This is the first time there s an actual amount of people juluing us mountain rogues. I can tell
You can't fool me. Shunroh I can tell who you are and who sent you here
Fare-well... Shunroh

Must hurry!
I don't want to see my companions die
that boy Roh and the man called Reigoh!!
That cold Jotetsu.
Shunrin and Jotetsu are not going to leave... especially Jotetsu whom s lost in his own love.
But what I have to do now,
is to tell the rest of the army to hold on
And it looks too perfect.

SHUN-ROH?
JOTE-TSU!
WHAT ARE YOU DOING HERE?
AND THAT BOY? SHAIN-GAH?
HA, HA. I'M AFRAID I'VE LOST HIM.
BECAUSE I'M OF THE GOVERN-MENT
HE SAID THE NEXT TIME HE SEES ME, HE'LL KILL ME WITH HIS SWORD
WHY JOTETSU?
WHY DO WE HAVE TO COME HERE ONLY TO HAVE OUR HEARTS MUDDLED UP BY THESE FEELINGS?
DON'T GIVE UP SO FAST THEY PROBABLY HATE US BECAUSE WE'RE CITY PEOPLE
THE ONLY THING WE CAN'T TRUST IS HOW I CAN'T BREAK MY FEELINGS FOR ROH

ALSO, AS YOU CAN SEE INSTEAD OF LEAVING THE TITLE AS "STORM" I CHANGED IT TO HAVE THE ORGINAL JAPANESE TITLE INSTEAD MANY PEOPLE HAVE BEEN COMPLAINING THEY COULDN'T FIND THE MANGA SO THIS SHOULD HELP. ENJOY!

Ah!
This is good stuff!
Been a while since I had good wine.
I didn't even get to touch a single wine glass at Jotetsu's house.
That bastard's "allergic" to wine.
I've known him since he was a kid.
He does not go out
Clue-less around women
Always goes straight to the point - absolutely boring. I tell you
Hey..
What's up with you and Jotetsu, anyway?
Boss and worker
But I can't really say that.
Water and oil might work better

I'm Jotetsu's competetor!
I'm going to make him cry
Really?
Tell me about it.
Roh's been my childhood friend for a really long time.
We'd stay with each all the time and I would protect him.
And then Jotetsu barges in and steals Roh away from you?
YAH!
He just appears from nowhere and just takes away what is mine!

That was a really horrible thing Jotetsu did
You think so too don't you?
Heh- Thought you and I wouldn't get along too well
But I think I'm starting to like you
And I think I like you as well, Retgoh
I'll tell you every single stupid thing Jotetsu has done - If you want to hear more about it!
Come over more often
I'll have the best wine in the house waiting for you

Partner, huh?
Hey, I can actually have a good conversation with him
It's not going to be anyone else but HIM if I need to talk about my enemy!
Maybe this Kaeiew guy could actually help me
Ah - hey, Retgoh where were you?
Whoa! You smell like you've been drowned in wine!
What happened?
Yeah! I'm beeere
Jotestu
He's an enemy that's way out of my league
Hey! Retgoh!

Damn it!
Who gave him enough wine to knock him out?
All of you!
Sleep with with Retgeh tonight will you?
Don't even think about playing cards
Get to bed
YES SIR!!
YES!
Finally - a night of silence and beautiful solitude
And old uncles asleep as well.
You're still awake?
What?
knock *knock*
Roh!
I'm coming in!

What? Are you still mad at me?
What happened in the afternoon was a misunderstanding
And you just stood there!
Perverted freak
He was HOLDING you in front of ME - right when I was standing there!
Roh.
It's strange to see you so jealous
It's cute you know that?

AH!
A wolf pup bit me.
Hey, what happened to your mouth Jotet-sui?
Ha ha! That's what happens when you try to hit someone the wrong way!
I guess the mountain rogues haven't given up all of their ways
Today, Roh and Retgoh are moving to the larger court
And they took everyone with them!
I bet they'll be okay
Whoo hoo! Check out all the pretty ladies!
Wow! Is this actually the city!?

Hey, babycakes! You want to come with us?
Alicee! Leave me alone!
Hey! You gotta pay for that!
Send the bill to Jotetsu's house.
We gotta stop them!
Leave em alone Jotetsu will have it under control
Where did all these trouble-makers come from anyway?
Hey, you just came here, did you?
If you want good jobs come with us!
Why on earth did Master Jotetsu bring them here?

I've heard they used to be mountain rogues...
What is he THINKING?
Huh. THIS is called working in the city. Waaay too much work.
Good thing we're back.
Look at this pile of work!
MASTER JOTETSU!!!!
All these bills just came from the shops in the city!!
WHY are there so many OF THEM??
What bills?!
The new soldiers!!!
They're all gambling and drinking— big time!!!!
Bill at Jotetsu's
THE IDIOTS!

I'm back Master Jotetsu!
We've sightseened the entire city already, sir!
ONLY sightseeing, huh....
Hey - Shaingah Are you tired?
Did you wash your hands?
Yes Shunrah.
Good boy!
By the way, where'd you get all this candy from?
This?
I bought all of this from Master Jotetsu's branches.
Leader Rah said that it was okay
He said 'Jotetsu won't get mad.'

A new one
Master Jotesu is sooo nice!
This is THE first time I've ever had candy in my whole life!!
This is really good!
Look, it's just CANDY!!
And I'll pay for Shaingah's part!!!
That's not the point!!!
What about the other bills???
Who said they could do this?!
Whaa! No it's all right Shaingah!
You don't have to pay me back!!

Master why did you let that go?
Do you WANT me to be a grumpy old man?
ROH!!
I need to talk to you
Come here
What?
Why?
thump
It seems like you're going soft with Sheimgoh
thump
Why not the others?
Don't "what" me!!
Why didn't you stop your men when you saw what was happenning?
You!
You seem to have a soft spot in your heart for young boys

ROH...
Looks like you got some problems there Jotetsu
Like being attacted in every direction at the same time
But I'm not going to pity you
Kariew
Need any help?
I stand in a higher position than you do - if you need to borrow money, no problem
What's with this guy?
What's up? Did the mountain monkeys decide to bite you?
This is MY problem
And I do not need help

Hey, let's face reality.
You have a mountain of bills that needs to be paid..
Do you expect to pay for all of this...by yourself?
Maybe you need to remind yourself who's boss here - in THIS situation.
If you BEG I'll take care of this pile of debt for you.
I can take care of this myself.
Who's going to to do that?
Heh.
And I was trying to help.
Try to learn how to look upon the higher with the kind of eyes the lower should have.
And all of you continue to follow Jotetsu
Ever think about working for me?

Oh yes - if we continue to have these debt problems, I'm sure you won't recieve your salary this month, boys. Ever think about that?
Ah:
No.
Thanks anyway sir!
Took you a-while to say that!
Whatever...
Sure
Don't even think about messing with my workers
Everyone's important and they're part of my family!
I'm not going to force you
Go and die:

Ah -
Hey.
Ret-goh!
I just bought some real-good wine.
Good. I was just coming over to see you.
What the- Retgoh, you KNOW this guy?
I'm warning you...don't mess with him.
I'm telling you...
I'm not part of your so-called "family"!
Shut up!
Jo-tet-su.

Roh..
Tell Retgoh to stay away from Karlew
Eh?
That man's got a real bad reputation
He's a backslasher and he does not care who he backslashes.
I don't know why he wants to get close to Retgoh
You know Retgoh hates you and you're still worried about him?
Huh... so nice to other people Jotetsu
Of course I'm worried!
Retgoh may seem bad, but I know he's not like that in the inside
Hey - that's not what I meant!

Ratgoh!
Do you want to come with me?
Eh?
If you agree to working for me...
I'll let you drink the best wine everyday.
And...
If you become a city officer you'll be at the same status as Jotatsu - or higher!
You'll have both money and power.
Roh will turn his back on Jotatsu... and look upon you!
You got a good deal there
But
But why the sudden show of kindess?

The reason?
Because you've got some interesting features
Makes me want you to be my arms and legs
I don't really understand
Just let me say that i don't hate you becase of the wine
Just cheap wine?
There are many other riches at my house Would you like you come?
And we don't really enjoy Jotetsu's company
Think about joining with me eh?

Where's Roh?
Did he leave?
He went with Ratgoh
Did you two fight?
Uh... A bit.
Ah Jotetsu he started some sort of ruckus about his "old lover"
And now Roh's mad
Are you KIDDING? Who'd be a lover with a perverted boy like Atoh??!!
Shunroh? You don't have some one else?
Come on...
Why would I have someone else when I have you?

And I've been marked with Roh as "couple of the town"
Lighten up, Jotetsu.
Anyway,
You two seem to get along well.
That's 'cause Shunroh's so nice! He gets me anything I want.
Plus, he's a GREAT cook!
Shunroh bathes me, and he even reads to me at night until I fall asleep!
Isn't that a a bit over the edge?
Maybe YOU'RE too far away from the edge.
That's why you have so many problems with Roh.
That's cause i live with old uncle
With the rest of my workers and with Retgoh!

Why do you need to care about the eyes of others?
Don't you think that maybe Roh wants you to show some desire for him?
You think so?
Hey, remember you're the SEME Gotte show some lust men
!!
What the?!
Does this advice officially mean you two have "DONE IT" with each other?
DUDE! Isn't that a bit too straight-forward?
What's with the sudden change of character?
Well?
Have you done it?
Have you been hanging around with Atoh too much lately?
Hey! Don't even THINK that!

In the meantime...
Roh...
You want to go see Kariew?
If we go live with him we might have a better life.
And... maybe have a chance to help the mountain rogues.
"Help"?
You want to be an officer?
Why Retgoh?
Why would you want to be an officer - something we all hate!
NO!!
But if we have both power and money--
Then we can do anything!!

In case you haven't noticed, you're in love with an officer. Roh!
Jotetsu's different! I trust him and it's why I followed him all the way here!!
Damn it!!
What's so great about him anyway?
Karlew's so much more trusting.
He's got a higher rank than Jotetsu.
And that man thinks like I do!
Trusting?
This is coming from a person that does not trust anyone?
You've changed, Retgoh.
I can't believe this is coming out of your mouth.

FANTASY SHRINE ANNIVERSARY RELEASE

http://z12.invisionfree.com/Fantasy_Shrine/index.php?act=site

To Our Readers!

This chapter is ch. 6 of Zenmon no Tora – Koumon no Ookami manga originally released by Desperate Love scanlation group. Japanese scans we used were missing some parts (somehow all the sex scenes were cut off) and we replaced them with the ones from Chinese scans to create a complete version. We hope you will enjoy this manga to the end as much as we did.

Thank you for your support!

Come to me
Along with your beautiful friend.
Karyu-...
I will not and neither will Rekko!
What an honor!
Rekko has impeccable taste!
Who cares what Jotetsu said?
I'd never return to his place.
POP
Jotetsu said that man couldn't be trusted!

What?!
Rekko went to Karyu?!
Jo-tetsu —
Rou ...!
I tried to stop him...
But he was deter-mined ...
Al-right! Rou ...!
Rest as-sured! I'll go!
You don't know Rekko!
I'm com-ing with you!
NO! Rou!
Go home and wait.
It's better ...
Not to come!
.....!?

What a grand mansion...!
Hardly!
It's only about 10 times the size of Jotet-su's!
Drink up! Rekko!
Make yourself at home!
Care for a look?
...Hmm.
Like it?
Your room is ready.
The bed is from the Imperial Palace. It's huge!

If we are going to live under the same roof,
Best you understand now that I don't like to be touched without asking!
slap
Keep your hand to yourself!
I don't like you touching my hair without permission...!
Since we ARE going to live under the same roof,
You'd better get used to this!
KLANK
Urgh...
?!
dizzy
KLUNK
...You really are a fiery tiger ...!*
*t/n: Rekko literally means "fiery tiger"

What did you drug me with?
Numbing potion with aphrodisiac.
It's for your comfort!
SFX: TIE
You tricked me!
It's premeditated!
I want you regardless the means!
Such tresses!

Urgh...
I couldn't believe my luck...
It's better than I planned.
Looks like the aphrodisiac is taking effect!
Urgh ...
Ah!
lick...
Ah...
I normally don't do this ...
You should appreciate it.

Urgh!
No one would come anyway!
Over my dead body!
Insert!
Why don't you beg or cry?
It'd be even more interesting!
.....
Is that so?
Well. I won't waste time then.
I have no friends
And I know it!
What I didn't know was I'm such a big idiot!

Is Karyu home?
I am looking for the black haired youth he brought home
Master has just left!
ARGH!
ARGH!
STAB THRUST

Woaaa ...
SFX: tug tug
Go ahead and cry!
THRUST
Fan-tastic!
Such voice and body ...
How does it feel...?
Ravished by a man?
Like hell!
No wonder
He left me for Jotetsu!
Is this how Rou felt?

Shut up!
I shall prove you wrong!
I won't make it easy!
Try as hard as you like, you can't make me cry!
Urgh ...
Ah...
Somebody... help...

six: Bang!
six: Swish
Karyu —
The next strike will unman you!
I told you not to lay a finger!
How dare you!

If you hurt me...
you'd never be promoted!
Rest assured!
I care NOT!
Damn... There goes my leverage
DISAPPOINTED
SULK
He's serious.
You'd better listen!
MAD
Do you want to be rescued or not?
Be gentle!
Shut up!
Some things are forgivable, others aren't!
Do you realize what you have done?
Karyu.

How cruel is that?
You betrayed a person
Who has never trusted another soul.
Farewell! Karyu!
Hope our paths never cross again
Enough! Jotetsu!
I was a fool to trust him!

If I don't exist, Rou is all yours.
We are rivals.
why did you come?
Jotetsu,
You and Rou
Went through the toughest time together!
.....!
You live together like a family...
Good or bad, you always have each other.
And you don't want Rou to suffer anymore.
better than my rat—
all I caught is this turtle

Idiat!
YOU make me suffer!
I want Rou more than as a friend!
I don't allow it!
Why not?
You are not sleeping with him.
I heard
It's painful for the uke...
Yeah!
Like hell!

SFX: BITE
OUCH!
THIS much!
That much!?
The pain was most excruciating.
Are you sure?
Jotetsu-sama expects you at home!
I don't answer to him!
Karyu's house is in the mountain?
Yes

How do you know where he lives?
Jotetsu doesn't work for him.
Mony know
because he is Moster's brother.
Jotetsu's BROTHER?!
Yes!
Impos-sible!
They ore like water ond oil--
Jotetsu-sama is kind to the poor! The town likes him!
No one really cares for Karyu-somo though!
Hmph!
I don't like him either!
But it's a crime to be so kind to every-one, like Jotetsu!

gallop
I should never help you!
This horse couldn't carry two! Take a hike!
You bit me and kicked me down from my horse!
Serve you right.
kyaha-haha
damn you Rekka
That hurt!
What are those two doing?
Since he is that popular?
If he could be unfaithful,
Jotetsu-sama would be promoted long ago!
Wait— Rekko--!! My horse--!!
Are you really his lover?
--Ato,

You go ahead, Ato!
I'll walk with him.
You realize
This is a mountain road?
I'm merely his secretary!
Ah... Rou!
I used to live in a mountain.
And the horse couldn't carry us three.
trot
trot
That's right...
Then, the eyesore will take his leave!

Then come with me?
You have no where to go?
Why are you crying?
Where are your parents?
If only we had ridden two horses...
But I was worried about Rekko...
drip
--Tsk!
Indeed, it's a crime to be so kind to everyone...

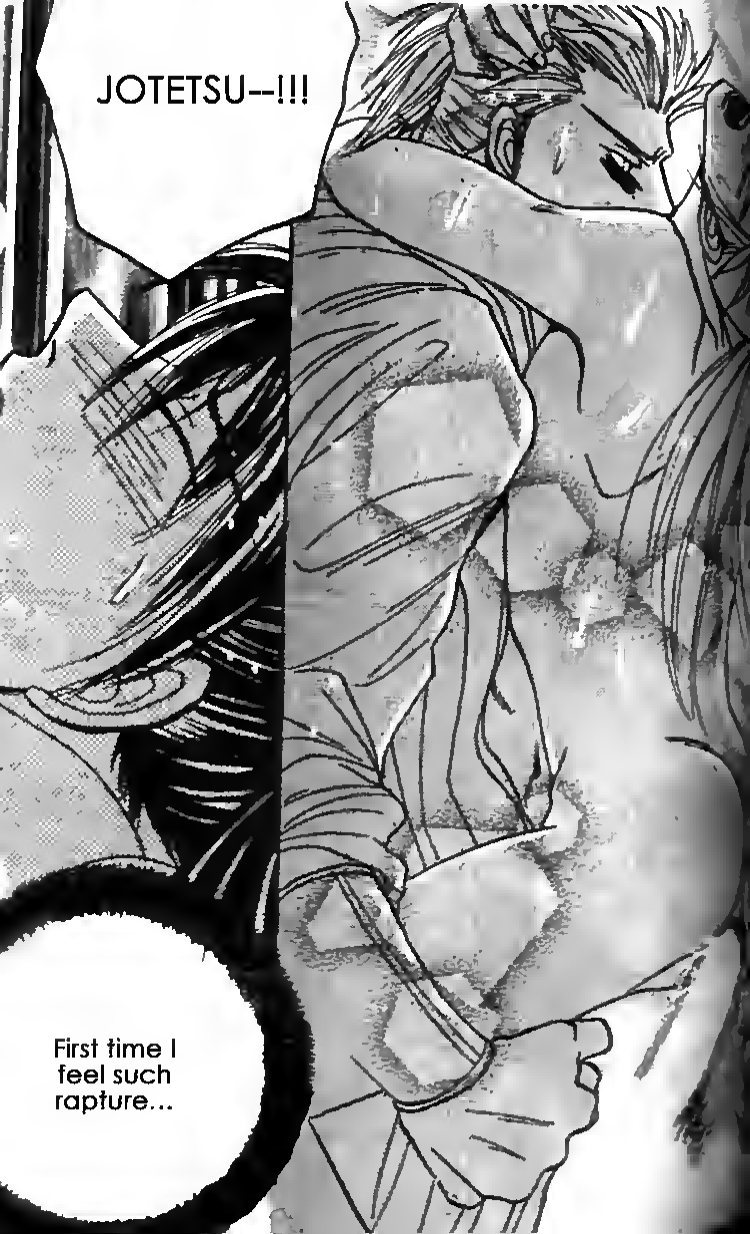
Rou,
Doesn't this mountain road remind you of somewhere?
The first time we met...
Rekko is alright!
Got drunk at Karyu's!
Is that so...
Nonsense!
Now I wont you even more ...
I don't want to hurt you.
But I have no experience with men...
The good old days...
When you were much more aggressive.
I couldn't resist your pursuit...
But now, you're cooling?

grab
!
ha
How thought ful! ...Isn't that kind of you?
it's the truth!
I finally have you with me!
I don't want you to hate me!
!?

I won't break!
This isn't my first time!
Unless you don't wont me...
If I'd known such loneliness...
Nonsense again!
I don't wont just your body!
I wouldn't have come!
A family?
Then what do you wont?
Who am I to you?

Hey?
I couldn't stand ather men...
hearing your cries...
Oh...
I held back ... Count-less times...

Ah...
Ah...
Ah...
Jotetsu!
Ah...
GRAB
Rou...!!



JOTETSU--!!!
First time I feel such rapture...

A bit...
But I don't mind.
I will be as gentle as I could!
Does it hurt?
This is entirely different with other men...
I have never felt before..
Huh?
Not ...
What?
Jo...I
Teeth mark?

Go ahead ...
Such wounds men would gladly suffer!
—Well,
BLIND
Teeth mark or claw mark...
Nothing
You give me
such intense pleasure That I want to bite!
BITE
Huh?
I SHALL OBLIGE YOU!
Jotetsu first learned seme could experience excruciating pain too!
plap plap

No matter how rough,
Sea would calm again once the storm is over!
We no longer have creditors come knocking!
And no one is suing us anymore!
Rou has tamed them all!
For the sake of meager wages!
Most kind of you!
grin
Thanks!
Welcome!
WOA ...
SLAP

I take it back!
grin grin
THROB
Where did...
The pile of collection notes go?
Why?
This morning, Karyu came by...
For some reason, he took them all!

With that beautiful black hair, you're striking.
Rekka.
Hmm ...
Was that an apology?
What?
If you thought I could be bought,
I actually cast a lot more!
Take it anyway you want!
But if Jatetsu were too poor, you couldn't drink to your content!

Only you could match me in drinking! I really enjoyed your company.
but I didn't mean to hurt you!
Must you bring it up...?
I have no real friends !
I built my position and wealth alone!
I thought ...
We were kindred.
We understand each other...
I thought the feelings were mutual...
It's just my wishful thinking!

one day...
Come drink with me!
Drinking is all I ask!
But...
I didn't expect your forgiveness!
I forced you.
Be warned ..
Tsk!
If the wine isn't good enough, I'd never forgive you!
You talked ... My ears off!

Tsk!
How shame-less!
Ah!
bump
What are you so grumpy about?
Nothing. Jot-tsu, my love~
After the storm, sun shines again.
I was in a daze watching you! Are you alright?
My type!
rustle
Sorry!
I didn't look at my way!
Oh, I'm as much at fault ...
comes the warm spring.
May I know your name?
Gane is the cold winder.

Ignoring me?

He is indeed busy!
But he's ignoring me purposefully!

Does he care only for work?
Jotetsu's office--
DAMN YOU, JOTETSU!!
How dare you!
Where is Jotetsu?
KLANK
Yes, Minister!
Huh?
Who is that?
Ato,
That's Minister Koson!
bow bow
One of the most powerful officers in the Capital!
No one can offend him and live!

Thanks to Shunrai!

That tavern serves good wines!
It's our honor!

Stop it!
He is unstable and highly dangerous!
This wild dog is hardly suitable!
It'd...
Better be someone no less beautiful than him!

You went to the tavern behind my back!
How dare you!
It's for my career ...
NONSENSE!
SLAP

Career?
Then why don't you trade me in to the Minister
for a promotion?

The anti-social Jotetsu
finally has a chance for promotion!
Telling me how much you care!
is to hear, "you are the most important of all!"
Let me hear you
I'm so lonesome!
batan
I'm dying of loneliness, Jotetsu--
But I'm pulling his leg!
I love him more than anything...
=But

REM- -ORSE
The next day...
I slapped Rou!
How could I...
I'm the lowest
I don't want anything
other than to be with you—
Why am I doing this...?
I thought I would provide a better life for Rou!
That's why I work so hard...
but we ended up fighting...
Conference is about to start!
Are you alright?
Ah!
This is an important meeting for your promotion!
Yes!
pay full attention
Is Rou still mad...?

Jotetsu BAKA*!
*idiot
How dare you make me cry!
Why is it
Oh?
Why must I
You go ahead!
have to have him?
No other men will do.
Rou-kun ...
What's the matter?
I love only him!
There're many other men
better and gentler than him.

And now jobless!
Say no more...

After the long drought,

The man I love...
My body revives under Jotetsu's touches!
with the rain of his kisses,

I could erase my past,
how I wish you were my first man...!!
